The aim of the course is to equip participants with the basic knowledge, skills and attitudes for the effective management of sexually transmitted infections (STIs) outside the GUM setting. Early registration is preferable. It is recommended to attend both days although if you have attended a STIF course in the past 3 years, you can attend the STIF PLUS day to update your knowledge and skills.

It is highly recommended that delegates study the appropriate modules in e-Learning for Health before attending. This will entail around 8-12 hours of study depending on your experience. Further information about the modules will be provided by the course organisers approximately four weeks before the course commences.

The outline programme is attached.

For further information please visit http://www.bashh.org

This is a multi-disciplinary course and applications are invited from:
Doctors and nurses working in general practice, family planning and reproductive health, GUM, health advisers, secondary care clinicians who may encounter patients with STIs (e.g. O&G, A&E, rheumatology and ophthalmology), pharmacists, school nurses.

Course fee (includes Coffee, Lunch & Tea)

BOTH DAYS €390
EARLY BIRD €300 (3 months prior to date)

To reserve a place, please return the tear-off slip below, with a cheque made payable to “Dr Lambert ID PRACTICE”

ALL APPLICATIONS SHOULD BE RETURNED BY 12th September

Details of the e-learning modules and a Course Pack will be sent to you nearer the time with your receipt.

RCN, FFPRHC & RCP Approved
